Another Year of

LIFE

AT BAYLOR '41-'42

LIFE is real.. life is earnest . . . under the campus, students who have not left school to join the service purpose but with a greater desire to achieve the necessary train-

the towers of old Baylor, and as war clouds hang ominously over
continue to pursue their education not only with a more serious
ing for carrying on as intelligent citizens of this great democracy.

DEDICATION

BECAUSE

Baylor was his place of preparation as well as a source of inspiration, and because we look with pride upon his accomplishments as a public servant, we dedicate the 1942 Round-Up to

Mar. 18—Round-Up Goes to Press.

TO ENROLL OR TO ENLIST

was the constant thought running through every Baylor man's mind on that ill-fated day, December 8, 1941.

It was registration day—but one could hardly tell it by the grim faces of students who gathered at Waco Hall.

President Roosevelt was addressing Congress when the photographer appeared on this scene.

"Yesterday, December 7," he was saying, "is a date which shall live in infamy.

"Always will we remember the character of the onslaught against us."

WHO'S WHO AT BAYLOR

MOST REPRESENTATIVE—PEELER WILLIAMS AND LEE GLASCOCK

Kathryn Elder adores swimming and photography. She hopes to do clerical work after she finishes.

Riley Simmons spends his spare time collecting small hats. He hopes to own a successful laundry.

Dot Wall loves to make scrapbooks, and although a speech major, she hopes to become a capable secretary.

Mary Beck Maxwell enjoys drawing caricatures best of all, but her major is English, so she'll probably be a teacher.

George Horner gets a bigger kick out of steering his Model-T than anything else. He hopes to be a cattle king.

Bonnie Ruth Stauson likes to ride. She expects to pursue art as a career. (Wonder why she majored in Home Economics?)

John Price Bible major, hopes to be a worthy pastor like his father. He likes to travel too.

Johnny Fae Nelson will tell you there is nothing to compare with Drama as a career. Her hobby is collecting books.

Jem Englander likes golf. His ambition first is to be a good soldier—then a successful advertising man.

WHO'S WHO AT BAYLOR

MISS PERSONALITY
LILLY BETH GLENN

MR. PERSONALITY
DAVIS BRAGG

Joy Ray thinks there is no better sport than hunting. She's going to be a teacher next year, she hopes.

James Drury likes all kind of sports. He's a business major and has ambitions to be a tax expert.

Betty Green will teach High School English next year. Her hobby is taking pictures.

WHO'S WHO AT BAYLOR

PERMANENT OFFICERS—PEELER WILLIAMS, President; LILLY BETH GLENN, Secretary

Marilyn Harwell is a golfer, but she likes to ride horses too. Incidentally, she'll be a Navy wife soon.

James Morris, ace photographer, desires success in a professional field. Chemistry is his major and badminton is his sport.

Lu Ella Futrell says she hopes to travel a lot; and to pursue her musical interests at the same time.

Sammy Waldrop likes to play the clarinet. His ambition is to find something worth while and to do it—after graduation.

Gladys Chaffin Strength collects demitasse cups and saucers as a hobby. "A happy home" is what she desires most of all.

David Beck, star on gridiron and classroom, likes to hunt, and expects to become a rancher after the war.

THEY'RE ACE HIGH WITH US!

BILL ALLCORN

BEVERLY KING

SKIPPER MILLER

WHO'S WHO AT BAYLOR

Peeler Williams likes to handle a rifle. His ambition at present is to get his degree and then do his duty for Uncle Sam.

Lee Glascock loves ranching and everything connected with it. In fact she hopes to take care of a rancher soon.

Orba Lee Malone is a flyer and a law major. He hopes to be connected with the FBI soon.

Don Hinds writes melodramas as a past-time. His ambition is to be America's most outstanding editor.

Dwight Parks, Baylor's sensational basketball star, says fishing is his favorite hobby. He hopes to be a naval officer.

Louise Goode, likes to sing and enjoys working with people. "Success in everything" is her goal in life.

Arthur Boone's favorite sport is eating. He hopes to be a successful businessman after we've whipped the Japs.

WHO'S WHO AT BAYLOR

Morris Harrell, Billy Patterson and Walstein Smith, room-mates, all have the same ambition: to finish law school. Morris' hobby is music, Billy's is golf, and Walstein likes books.

Roy Levy enjoys a fast tennis match the most. To be a man like Sumner Welles is his ambition.

Margie Dunson hopes to be a Spanish translator. Right now dramatics seems to be taking up most of her time.

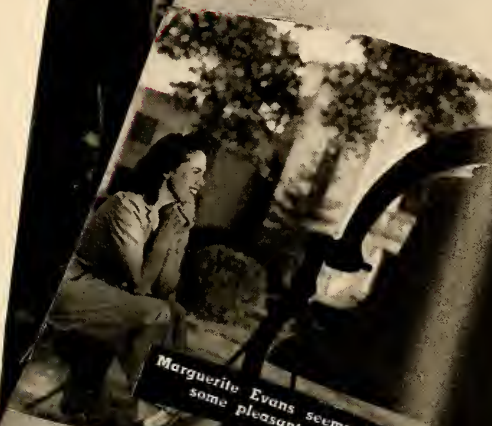

Raymond Hankamer spent his spare time with Camille Ostrom, and April 4 his ambition was realized. She said "I do."

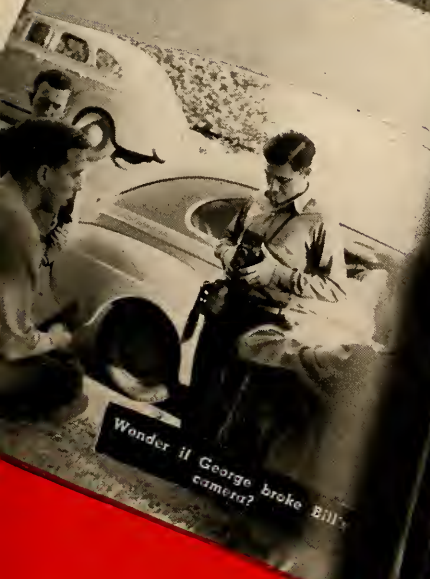

L

Better buy a bicycle!

Marguerite Evans seems to have some pleasant thoughts.

Wonder if George broke Bill's camera?

QUADRANGLING

FIRSTS

"Hurry up boys, we've got to meet our new room mates."

The first meal at Memorial always tastes swell.

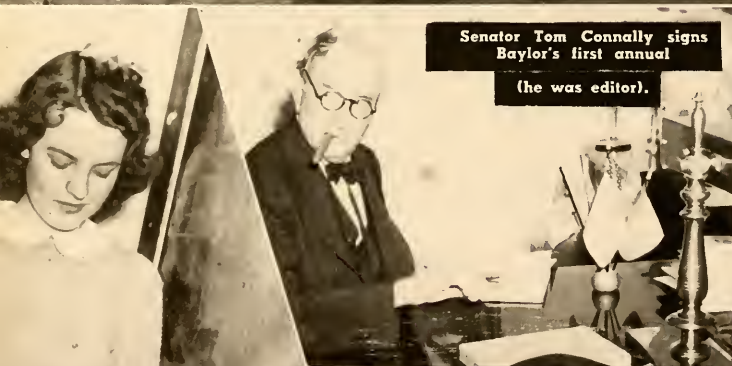

Can't get a directory without a blanket tax.

Ho, hum got to register, says Virginia Lessor.

Myron Macht is the initial Baylor-ite to leave for the draft.

Senator Tom Connally signs Baylor's first annual

FIRE

Six firetrucks were called to the scene.

Good time as any for a bull session.

Mrs. Bledsoe and the boys watch it burn.

Billy Traylor left his Chem class to find very little left.

Material tragedy came to 10 Baylor boys January 26 when fire at the Bledsoe boarding house destroyed the entire upper floor and brought a near total loss of their possessions. It was the worst fire around Baylor in a number of years, with damages estimated at more than \$2,500 by residents Billy Traylor, Charles Heathman, Pearson Gilbert, G. C. Robinson, Warner Hancock, Roy Ferguson, John Price, Martin Jones, Joe Price and Richard Harris.

Roy Ferguson tries to dig out a book.

"Boy, that's tough luck."

Well, they saved a few chairs and a bed-spring.

More spectators.

Baylor students flocked to the scene.

A defense stamp album is all Richard Harris could save.

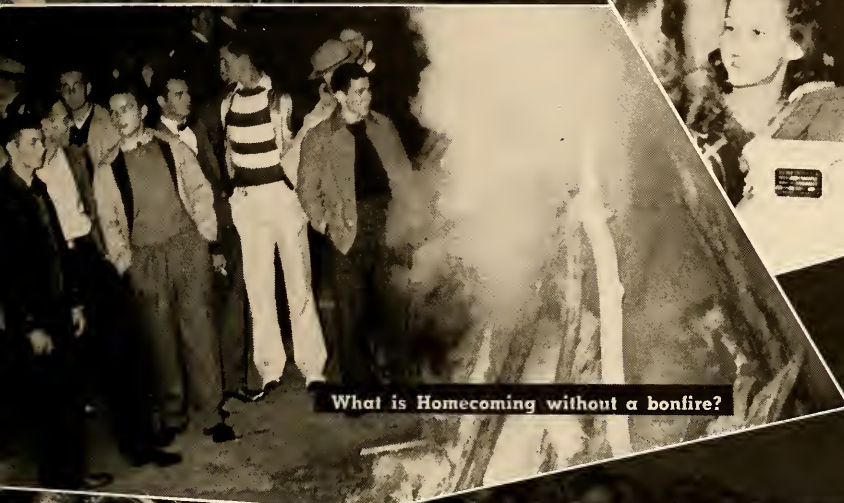

The boys haul off clothing donated by sympathetic Baylorites.

HOMECOMING

CORRIGAN WEEK-END

Chester Richardson gets the eye from 4 beautiful co-eds, but . . .

Sara Whitworth was the most persistent.

"Onion" McMahon didn't have any trouble getting a date.

Marshall Barnett gets the "come-on" from Betsy and Sara.

Slick Cochran's got a polite date: Jerry McDonald.

Paul Albright can't believe it's Corrigan week-end.

Dr. Rife (Ohio U.) gives the pretty
Arkansas twins the once over.

John Carter autographs programs
after his performance.

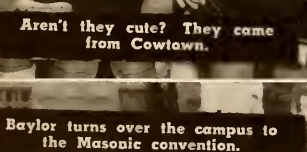

Aren't they cute? They came
from Cowntown.

Jimmy Jeffries put on a show.

Ginger Lindsey interviews Cellist
Marcel Hubert.

Baylor turns over the campus to
the Masonic convention.

Tinky Wright hits it off with
Gene Autrey.

FOCUS WEEK

Youth faces its most serious problems in 'history today," Dr. H. P. Rainey declared.

Students actually desisted from writing letters and studying for quizzes in chapel during the first religious focus week ever held on the Baylor campus.

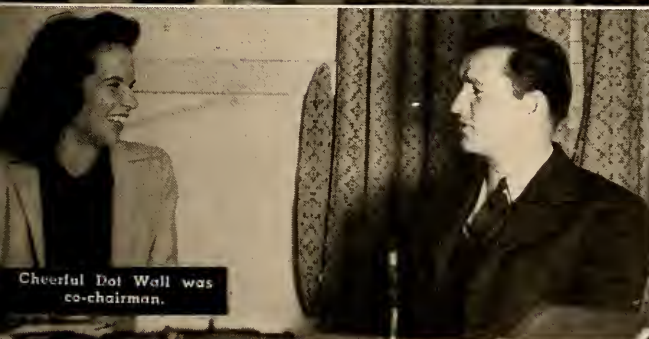

Seminars, bull sessions, class discussions and evening services featured what was to be the beginning of a deeper spirituality in the life of the campus as a whole, and it is doubtful if the great thoughts and splendid ideas which were disseminated during the week of February 9 to 14 will ever be forgotten.

Give credit to Orba Lee Malone and Bob Denny for the success of focus week.

Dr. Clarence Jordan gave us a new light on race relations.

Cheerful Dot Wall was co-chairman.

Dr. Jordan mixed subtle humor with his talk on tolerance.

Bob Norman tells chapel the importance of giving one's best to God.

Bob discusses Christianity with the boys at Book House.

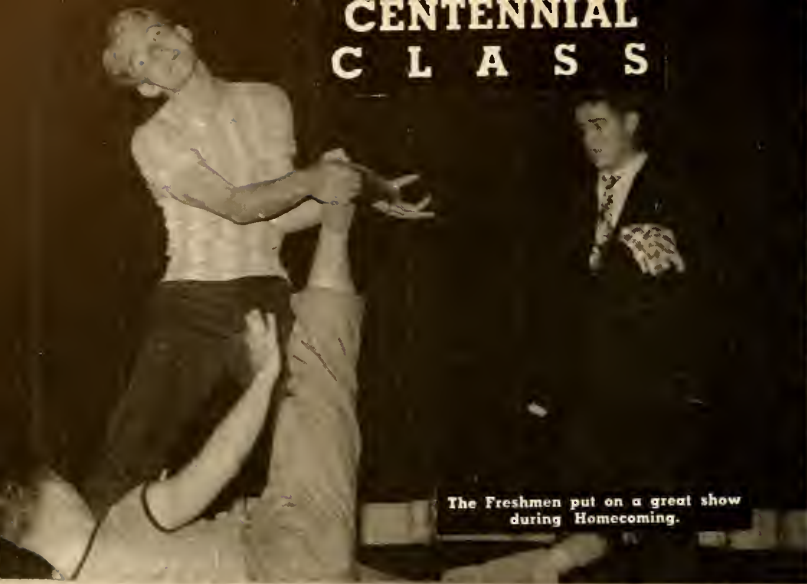

Howard Rees looks like he lives his Christianity.

"Our black brotherhood is deserving of white Christianity"—

CENTENNIAL CLASS

The Freshmen put on a great show during Homecoming.

Slime deGrattenried willingly shines an upperclassmen's shoes.

il: the Frosh homecoming queen nominee: Susan Sanderford.

Watching the slimes is more fun than the game.

It'll take a week to get the paint off.

The Frosh prexies enjoy the scenery.

Centennials flock to Denison studio to break picture-taking record.

Slime night never fails to draw a full house at the Orpheum.

PARTIES

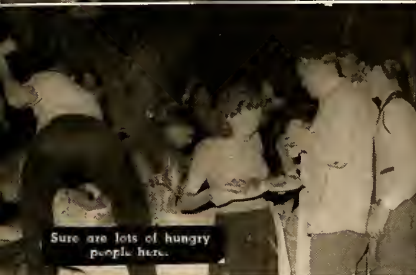

A couple of dolls pay Brooks Hall a visit.

Reggie Owens sings at a banquet.

Janet Whitney serves coffee to Press club guests.

The chamber entertains.

Coach Kimbrough gets spinach juice from the boys at the Quarterback club blow-out, after the A & M debacle.

June Page is definitely the center of attraction at Alexander Open House.

Prof. Clarence Smith plays Santa Claus.

Harmony at the Band picnic.

Livin' at the Raleigh.

Boy, this makes me hungry.

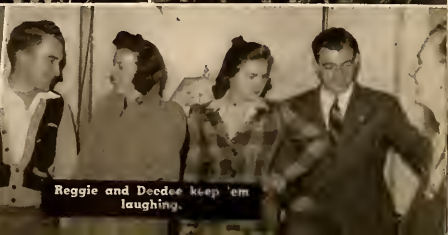

You find George Horner in the strangest places.

It's intermission time at the Junior-Senior prom.

Don Allen and Johnnie Nelson are too busy to notice the photographer.

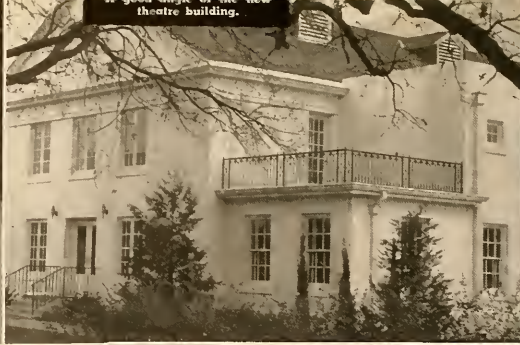

Reggie and Deedee keep 'em laughing.

BAYLOR GOES "ALL-OUT" FOR VICTORY

When bombs and machine gun fire sprayed death and destruction on Pearl Harbor, patriotism, unity, and love of freedom was aroused as never before.

Baylor accepted the challenge of the on-slashing Axis, and is now all out for victory. Many Baylorites enlisted, but those who remain on the campus are doing their part to assure final mastery over the enemy.

Tanks, cannons, ships, submarines, planes and machine guns are not the only sources engaged in this blood-staining war of all races. Every individual has his part to fulfill, and Baylor students—like millions of other patriotic Americans—are in it for one great goal: victory; because they, like every American, realize now that this is a war in which only defeat of the dictators can rid the world of ruthless slavery and death, and bring to our shores once more peace and freedom.

Judge Baylor himself was a distinguished soldier. His record carved on his famous statue on the campus, is a constant reminder of his patriotism, as well as his leadership in law, statesmanship, education and religion.

A sign of the seriousness with which Baylor is taking the war is the fact that it has made the summer quarter a regular quarter like the others, making it possible to finish in 2½ years. Also, Baylor's courses are being planned to meet the peace when it has been won, and it is toward that end that education at Baylor is fitting its students.

INJURIES HAMPER KIMBROUGH'S FIRST YEAR

"... and Goliath fell upon his face to the earth." (I Samuel 17:49).

On a peaceful November 8 afternoon, Baylor's 1941 football team took that Sunday school lesson to heart and became the David of the sport world by topping Texas University, the nation's gridiron Goliath, into "defeat" by a 7-to-7 score.

Thrice-beaten Baylor with a tradition as the "upsettingest team in the nation" that afternoon achieved the greatest moral victory in the near 100 years of the school's existence by battling Texas to a draw.

Injury-jinxed throughout the year, eventual loser of five games, Baylor that day atoned for a season's mistakes and made Coach Kimbrough the Messiah who lead the Bears out of the gridiron wilderness.

Eighteen seconds remained on the huge clock at the south end of Muni stadium. Baylor was trailing 0-to-7.

Then deep in the shadow of the end zone tiny Bill Coleman snatched Kit Kittrell's pass, and the most memorable touchdown in Bruin athletic history was chalked up.

Jack Wilson, the monarch in mole-skins, punctuated the goal posts with a perfect conversion and the game was over.

The Longhorns had their Bible, but the Baptists prayed harder.

...

Baylor opened the season as expected: Hardin-Simmons, Denver and Arkansas were beaten decisively. Then followed three disasters.

Villanova outlasted the Bears. The cadets of Texas A and M marched past the Bruins on their way to the conference title, and T. C. U. spoiled Homecoming.

After the Texas clash, Baylor fell by close scores to Tulsa, S. M. U. and Rice. Tulsa, Texas A. and M. and T. C. U. went on to bowl games.

Minus adequate reserves in their first year under a new system, and burdened by injuries to key men, the Bears did not make a great record. But they immortalized themselves by tying the best team in the country.

Statisticians say that Baylor's 1941 season is preserved in the tight-shouldered type of the record books. But students believe the story of this team can never be placed in the cold hard type. The 1941 Baylor Bears will live in the memory of the student body as long as any student remains alive.

BRUISIN' JACK WILSON STARS IN H-SU FRACAS

Waco, Sept. 28—Hardin-Simmons' hurly-burly Cowboys loped into town for the opening game of the Baylor gridiron season, ramed into a barbed-wire defense that coraled their shifty backs and finished up on the short end of a 20-to-0 branding iron.

Hexed by football injuries during his sophomore and junior years, but still acclaimed as one of the greatest athletes in Southwest Conference history, Jack Wilson inaugurated the new season with a slashing performance which drew raves from the hardened denizens of the press box.

Galloping in full cry, with all the speed and finesse of a Bengal tiger, Wilson cut loose late in the first half on his favorite play, a right end run, and scored standing up from the 20-yard line. From then on, it was Baylor all the way.

For Frank Kimbrough the victory was doubly sweet. The Cowboys were out to beat their former mentor, and it was the new coach's first game. The victory warned conference opponents that Baylor would be tough—if Kimbrough could keep his players off the hospital list.

Buddy Gatewood and Ed Hickman starred for the Bruins, and the entire line played smart football. Gatewood throttled the heralded passing attack of the West Texans, and Hickman was a demon on downfield blocking. Godbold and Self were savage in their line play, also.

Once or twice the Cowboys' tricky T-formation got going, but when the pressure was on, the Bears held tight. Baylor's offense was a little rough during the second half because of substitutes, but on the whole, the opening game measured high compared with those of former seasons.

BEARS BLAST DENVER AT NIGHT 14 TO 0

Denver, Oct. 3—A hardy band of Denver Pioneers were cocked and primed for a full-scale Grizzly invasion when Baylor journeyed high into their mountain fastness, but sturdy hearts and grim determination couldn't stop the churning power of 200-pounders, Jack Wilson and Milton Crain, who sparked a 14-to-0 victory that more than lopsided the score indicated.

Rocky Mountain football connoisseurs liked to Denver for the tilt and more than 15,000 mountain dwellers watched Jack Wilson, the most popular athlete in Denver from any other football conference. They got their money's worth. The Buckskin Buckaroo passed, punted and plunged in top form.

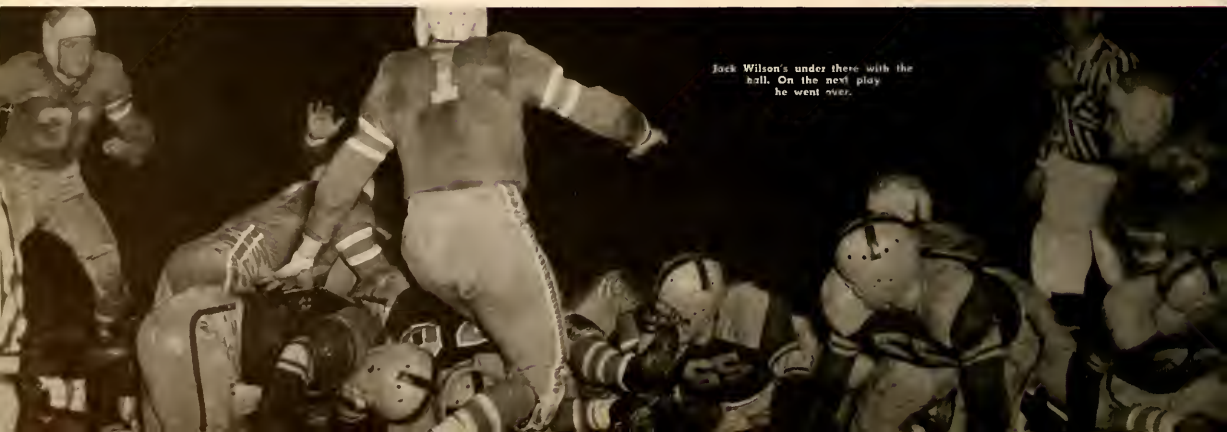

Denver scribes called Wilson's play the best they had seen in years. Before the game every Baylor man crossed fingers, threw salt over his shoulder, and kept an eye peeled for black cats as memory of what happened in 1940 to the Baylor ace was recalled unpleasantly. The kidney injury Jack suffered then not only threatened his career, but placed his life in temporary jeopardy as well.

With that spectre staring him in the face, Coach Kimbrough used Wilson sparingly, but Milton Crain ably filled the breach while the Baylor star cooled his heels on the sidelines.

Once again Ed Hickman was a demon down on punts, and Lewis Self was the defensive luminary as he was in on fifty per cent of the tackles. Both these boys, backed by Buddy Gatewood, made the Pioneers do things the hard way and shut them down when they threatened to push across a tally. The whole team played a creditable game.

PORKERS HAMSTRUNG 20-6, BY ANGRY BAYLOR BEARS

Waco, Oct. 11—Hog-killing day dawned bright and clear for Baptist football fans as Head Razorback Fred Thomsen herded his squealing Porkers into Waco for a wild conference opener that found Arkansas on the short end of a 20-to-6 score at the hands of Frank Kimbrough's Green and Gold warriors.

The injury jinx held off Baylor just long enough for the Bears to take a good whack at the Porkers, but the way Baylor went after the surprised Hogs gave good indication that Thomsen couldn't have cooked up a win with brough.

Before the Bears were fully awakened from their summer hibernation, the Arkansas hill billies recovered a fumble deep in the home boys' territory and crunched over a score with big "Nig" Bynum and Jeff Coats, lanky tackles, clearing the way.

After those first five minutes, though, the fury of the Bears began to tell and, led by Jack Wilson, Baylor marched up and down the field at will to tally three times and convert twice. Thomsen called Wilson "the best all-around back in the Southwest" after the game.

Particularly effective against the Razorbacks was a fake pass play, which found Wilson slicing through left guard to run the boys from the Ozarks out of the stadium. The last half was featured by several Baylor sorties deep into Arkansas territory, but the absence of regulars from the lineup in lieu of second and third stringers collapsed the drives.

A relentless Indian Summer sun beat down on the field, but the field was cold compared to the "hot time in the old town" that night.

WILDCATS CLAW BRUIN BEFORE 31,000 FANS

Philadelphia, Oct. 17.—They called the Villanova gridiron team "Wildcats," but that was an under-statement.

Old Man Luck poked a familiar nose into the Bruin grid camp two minutes after the opening whistle, tapped his old friend, Jack Wilson, on the shoulder and the bugler blew "Taps" for Baylor before the season was well under way.

It was 14 to 6 in favor of the Villanova crew as 31,000 screaming fans packed Shibe Park to pay tribute to the heralded Sage Brush Siege Gun who was spiked before the war ever began. The 31,000 fans represented the largest crowd ever to watch Baylor in a football game.

For bitter, cut-throat line play, the game was a classic. Baylor players left the field with black-and-blue elbows. But the Wildcats were a crippled bunch, also, as the Bears fought back with the Wildcats' weapons in the "city of brotherly love."

The melee was scarcely under way when some unidentified Villanova player kicked Wilson in the head. Coach Kimbrough, for the first time during the season, went on the field to protest, but was waved back by the officials. Three plays later, Wilson ran wide and ten yards out of bounds unknowingly. This convinced Kimbrough that the Baylor ace was hurt and they led Jack from the field, temporarily blinded.

Into Jack's vital tail-back slot went an unsung Baylor sophomore sub, Kit Kittrell, who played ball like a veteran and laughed at the roughing. The vital statistics of the game reveal the Bears' superiority, but they still pay off in touchdowns.

The Villanova game saw Bubo Barnett come into his own. Snapped out of his indifference, the burly 235-pounder was a devastating force. Barnett took charge of the game, and for three quarters Baylor fans saw a replica of Bochy Koch at his best.

TEXAS AGGIES ROMP PAST BAYLOR TO TITLE

College Station, Oct. 25—and Black Friday came.

The less said about sad things the better. You can't very well explain how the home team took a 48-to-0 shellacking from Texas A. and M.'s crimson legions without offering some sort of explanation—yet there is no explanation.

The better football team for the day did everything right. Everything the Bears did was wrong.

The Cadets marched over the hapless Bruins in the worst defeat a Green and Gold team has ever suffered in conference competition.

Devastating blocking was a partial answer. Superior tactics and a passing attack, the peer of any in the Southwest, provide other reasons, but the term "hot" fits as well as do the other explanations.

As the game progressed, the Aggie offense became a tidal wave that grew and grew until desperate, sweating, humiliated Baylor sons were grasping at the flying feet of eager Farmer backs who sprouted Mercury heels for the day.

It will always be recorded in the minds of Baylor students familiar with time that never was a band of gridsters more determined and anxious to win a game. Seldom was a practice session more promising and enthusiastic, Captain Wilson was in poor shape, but the balance of the team were at their physical peak.

How did it happen? . . . The spirit was willing but the flesh was weak.

A Green and Gold accolade must be laid at the feet of Milton Crain who fought with the courage of a Horatius at the bridge, but one man wasn't enough.

HOMECOMING SPOILED BY TEXAS CHRISTIAN

Waco, Nov. 1—Lariat-armed Emory Nix found the range three times with Herculean tosses of around 50 yards to tie a desperate Baylor Bears into gaudy knots, and the Baptists' oldest conference enemy left the wide-open spaces of Muni stadium with another victory notch on their rifles.

Round-up day at Baylor found 12,000 "eyes" back at the old homestead, but the Bruin fell, 23 to 12, before the rifle-shot accuracy of the lads from Fort Worth.

With Baylor's pass-defense fences in had repair, Nix had the greatest day of passing any player experienced in 1941. More than 300 yards were gained due to his aerials alone. Sammy Baugh and Davey O'Brien never had a better record for one day's work—even at their height.

Less than 90 seconds remained in the first half and the score was 0 to 0 when Nix faded and lofted a terrific 54-yard pass to Frank Kring for a touchdown. As if that wasn't enough to discourage a team, Baylor's strategs backfired when they kicked off to the Christians again. Another pass of Achilles proportions hit the jackpot, both conversions were made, and T. C. U. left the field 14 points to the good.

Baylor marched right back at the opening of the second half and made two touchdowns on long sustained drives, but failed to convert each time. Despite the fact that T. C. U.'s line took its worst beating of the year, the Bears were short on the luck side of the ledger, and, after another touchdown and a safety, the Frogs put on the wraps and won handily. Jack Wilson carried the ball ten times for 111 yards and was acclaimed by the Frog players to be the best football star they had opposed all season. Buddy Gatewood played one of his best games, and Barnett, Parks and Self stood out for the Bears on offense and defense.

TULSA'S LATE RALLY BEATS BAYLOR, 20-13

Tulsa, Nov. 15—Jack Wilson and Jack Russell stayed home. Baylor substituted Jacks for Aces during the season, but minus their chief threats, the Bruins were dealt out by a full house of Tulsa boys, 20 to 13.

Bones snapped like match sticks as 14,000 fans watched the Golden Hurricane, a gentle breeze for three quarters, rain desperation passes and win in the final frame.

Wrap up an Indian monsoon, a Chinese hurricane, a Creole tornado and an Oklahoma simile and you will have a reasonable facsimile of what Tulsa looked like during those final 15 minutes.

The Bears battered themselves into exhaustion during the first three periods and the Golden Hurricane flooded the dam thereafter.

A third-string tackle, Albin Murski, broke through to block a punt on the four-yard line and Dwight Parks found a foot of light in the Tulsa forward wall to slip through for the Bears first score.

Midway in the third period a 60-yard power drive, with Crain, Parks and Aubrey Bailey leading the way, produced Baylor's last touchdown.

Star of the game was Dwight Parks who outgained the entire Baylor backfield and was the outstanding player for the day. Parks' sensational punting and slippery running was the equalizing factor for the first three periods.

We will skip the gory details of the fourth quarter. Suffice to say, it wasn't in the cards for Baylor to win.

BAYLOR DUMPS OF THE

Kittrell was a Sensation!

Waco, Nov. 8—Baylor's battling little Davids smote the nation's gridiron Goliaths, Texas University, from its pedestal as the No. 1 team in the country today in the greatest sport miracle since the tiny Hebrew slew the Phillistine giant.

Red-letter this day, Saturday, November 8, because it is a date which football annals shall always record. That day marks the greatest "moral" victory for Baylor in the near one hundred years of her existence.

The final score was 7-to-7.
But who cares?

Willie was there!

Texas came up to this game ranked by every poll in the nation as the greatest football power of the year. Hailed by Matty Bell, Jess Neely, Fred Thomsen and hundreds of sports authorities as the greatest team in the history of the Southwest conference, the Longhorns on November 8 were soundly beaten by the Bears even if the records mark it as a tie.

The game stunned the country and firmly established for years to come Baylor's title as the "upsettingest team in the nation."

TEXAS OUT ROSE BOWL

But for a bad break, Baylor might have won from the team which the week before slaughtered Southern Methodist 34 to 0, and later knocked off Texas A. and M. Cadets, 23 to 0.

That bad break was a poor Baylor kick which slanted out of bounds on the 10-yard line. Texas took over and scored three plays later.

The game rocked along on even terms from there on while 12,000 amazed souls sat in the stands unable to believe their eyes. With less than two minutes to play Baylor got the ball 72 long, weary yards away from their goal. As the clock ticked off precious seconds, Baylor started.

Eighteen seconds remained in the game when Baylor lined up on the 18-yard line, fourth down and four yards to go.

Back faded Kit Kittrell, the hero of the game. David's toss that killed Goliath was no truer than Kittrell's pass to tiny Bill Coleman in the corner of the end zone. Pandemonium reigned.

Mighty Jack Wilson hobbled on the field and sent a perfect placement through the bars to tie the game.

That's the story, but the details are fascinating also. There is the story of All-American Jack Crain who played 56 minutes. He gained 22 yards yet lost 19 of them.

As a sidelight of the Bruins' defense, a seven-man line charged at an angle, first to the right and then to the left, outsmarting and outfighting the Longhorns all over the field.

Bubo Barnett, the simian-armed tackle, was another hero. He set on Jack Crain all day. In fact, all the Baylor boys were heroes—all nineteen of them.

Yes sir, it took the Baptists to master the Bible plan.

Bears Show Promise at Spring Training

Spring football uncovered considerable new talent in the Bruin camp. Frosh candidates lived up to advance notices, and most of the Bear veterans were going through their paces with more polish and finesse than ever before.

More actual good was accomplished at the spring session than at any time during the past few years. The Bruins of 1942 will be a dangerous crew unless their ranks are depleted by the draft, and other factors, such as injuries.

FLUKE PASS IS TURNING POINT IN SMU VICTORY

Dallas, Nov. 22—Paul Revere owned a famous horse.

But that horse was a nag compared to Preston Johnston, the famed Iron Horse of the Southwest Conference.

Johnston did everything with a football but make it croquet bundles for Britain as he personally kicked the Baylor Bears out of Ownby stadium in the last game of his collegiate career.

Striking twice in the second half, "once by land . . . and once by air," the Mustangs pulled a couple of David Harum transactions out of the bag to win 14-to-0 before 10,000 fans.

Out-paid during the first 30 minutes, the Mustangs, refreshed from their brief retirement to the corral, literally snatched victory from the air when a pass intended for a Pony back fell short, but alert Gus Tunnell turned up on the spot to catch the floater and hasten down the sideline with two burly Bruins in hot but futile pursuit.

Early in the last period the Mustangs marched to the one-foot line. Twice the stout Bruin forwards stopped Johnston cold, but the big boy was not to be denied, and on his third attempt he fell across the double-line.

One play stands out in the entire game, at least, according to the Baylor viewpoint. Jack Wilson and Johnston met head-on during the second quarter and Jolting Jack picked up the 197-pound Methodist ace and hurled him into the ground five yards back. That convinced the Baylor fans of the respective merits of the two stars.

Blalack Keeps Bears in Sports Limelight

Boswell of the Baylor Athletics during the last three years, Charlie Blalack handled the sports publicity in the breeziest manner of any press bureau in the Southwest.

Always blessed with one of two super-athletes, Baylor has been forced to handle its publicity along individual lines rather than feature general team excellence.

Two of the greatest football players in Baylor history, Jack Wilson and Jack Russell, furnished Blalack colorful material, and sharp-shooting Dwight Parks received wide-spread recognition when he broke the conference basketball scoring record.

In addition to garnering many column inches of type on the metropolitan dailies, Blalack developed the small town newspaper publicity field in an excellent manner.

OWLS OUT-SMART BEARS 28-14, TO CLOSE YEAR

Houston, Nov. 29—Its tail feathers awry from a first-half plucking, a wise Rice Owl waited until the shadows deepened across the gridiron before it struck with a flurry of passes to close Baylor's season on a flurry note by a 28-14 defeat.

Rice pass receivers fanned out down the field during the third quarter like a covey of quail. The deceptive aerial attack of Jess Neeley's cohorts had the Bruin backs running around like Boy Scouts at semisphore practice. Some of the Bears were saying "cukoo" when the game finished.

The cause of this last-half awakening by the Feathered Flock was a tall, stoop-shouldered halfback who ran with quick, bird-like movements. "Stoop" Dickinson, in addition to quick-kicking Baylor to death, ran like a road-runner, masked the ball as cleverly as a pelican and was more annoying to Baylor than a wood-pecker on Pat Neff tower.

Following several quick kicks caught the Bears napping, Rice scored on a 15-yard heave from Ellis, an Owl who knew when to do what, to Zimmerman. Dickinson, Zander and Huff all crossed the Bears' goal in third quarter, and Brumley converted every time. That concluded the Bears' goal in third the Owls for the day, but that was enough.

Baylor, held scoreless for three long periods, suddenly got under way in the final frame and scattered feathers all over the place besides scoring twice. Milton Crain and Travis Nelson were the lads who toted the "swine-rind" (courtesy of Jinx Tucker) to ore-bearing territory. Bill Coleman converted both times.

Starring for Baylor for the day was Dwight Parks, the human mite who started the season poorly, but played standout games the last four games. Parks tossed 21 passes and 12 times he picked the receiver off with rifle-like accuracy.

A glance at the scoreboard makes it appear that the field ran north and south and the Feathered Flock were always headed south. The Owls laid no eggs with the oval in this game.

Jack Russell makes a sensational tackle.

PARKS BREAKS CONFERENCE RECORDS

BY DOW HEARD

Phanton-like, diminutive Dwight Parks cut swiftly toward the center of the court, leaped high, twisted in his inimitable manner, and hurled goalward a basketball destined to rest as one of the treasured trophies in Baylor's Hall of Fame.

The black minute-hand on the gleaming white-faced clock showed less than three minutes remaining in the final collegiate game of the year when the pint-sized Baylor guard arched that historic shot.

Two thousand students, hushed expectantly, loosed a roar which cascaded down from the stands, out over the court, and rebounded off the opposite wall. That cheer was the wildest demonstration Rena Marrs McLean Gymnasium has ever heard.

Dripping with sweat, smiling wanly, Parks acknowledged the roar of the crowd, which all night long had pulled for him to score the necessary 25 points for a record. Teammates crowded around to shake the hand of the boy who by that shot became a Baylor sport immortal.

Those two points sent a five-year old Southwest Conference scoring record into discard. Tree-tall Huber Kirkpatrick of Baylor, '37, lost his place in the record book when Parks tallied 28 points for a season's total of 214.

This was the payoff shot

Ted Lyons, Raymond Strickland and Kirkpatrick . . . to those great names of the past is added that of D. P. Parks.

Weary Southern Methodist University players also gathered around to congratulate the boy who did it the hard way. Two men had shadowed the Baylor ace all night, and not one of those 28 points was made by "crip shot."

That, in brief, sums up the 1941-42 cage season for the Bruin basketeers. The Bears tied for third in the Southwest Conference flag chase, but the story of Dwight Parks is the real drama.

Coach Bill Henderson in his first year as mentor of the Bears placed a scrappy, hard-fighting team on the court every game. The 1941-42 edition was a dangerous offensive crew, although slightly below-par on the defensive side.

Baylor opened the season with a bang: T. C. U. fell 44-to-32; S. M. U. was nosed out by a late Bear rush, 45-to-41; and Texas A. and M. cadets saw Baylor win in the final 45 seconds, 48-to-46.

Two decisive set-backs, however quickly dropped the Bears back into the pack. Texas' Steers outclassed Baylor 58-to-38, and the feared Rice Owls rudely smashed out a 73-to-36 victory. The most exciting game of the season was the comeback tilt with Texas A. and M. The Cadets and Bears swapped the lead a dozen times before Baylor squeezed out a 38-35 triumph.

Frivaldsky drops a double-decker.

JOHN ELLIS, Manager

Ol' Man River of Southwest basketball, the University of Arkansas' Razorbacks, swamped the Bears in two titanic battles. Masters of the blitzkrieg style of play, the Porkers won 53-to-43 and 50-to-45 despite 45 points by Parks.

Sweet revenge for an early season humiliation was the Bears' answer to that. They smothered Texas 54-to-34 in their best game of the year. Then, as a proof of their erratic play, Baylor turned around and played the worst game of the season against T. C. U., 37-to-33.

Dwight Parks scored two-thirds of Baylor's points in the following game with Rice, but the vaunted Owls won 63-to-38. Then came the historic S. M. U. tilt which saw Parks break the record as the Mustangs went down, 18-to-38.

Although Parks was the big noise throughout the entire cage campaign, other players had a large hand in helping the Elkhart Elfin crack the conference record. Joe Frivaldsky was responsible for many of Parks' points as he screened the scoring channels most frequently. Muscular Jack Wilson was the defensive ace of the season before he went out with an operation.

One of the few crisp shots Parks got all season.

Belew sinks one.

Valuable as a tip-in artist was Dub Walters, and Mark Belew was a crafty shot-maker before the draft board called him to the colors. Ball-hawk of the squad was Marino, and Arnett was the man who took the ball off the backboard most frequently. Van Sweet and Hailey turned in several smooth court performances while the rest of the substitutes spelled the regulars in a reliable manner.

BAYLOR MAKES IT .500 AGAIN

As the baseball season rolled around last year, prospects of the Bears' achieving the perennial .500 percentage mark were anything but promising—even with eight returning lettermen.

Cause for all the alarm in the local sporting circles was the fact that newly-appointed Coach Lloyd Russell had only one experienced pitcher and no catcher with which to face such man-killing clubs as the Texas Longhorns and A. & M. Aggies—plus a baffling array of hitless wonders lead by "Slugger" Jack Lummus.

COACH LLOYD RUSSELL

The hustling Bruin nine mentor, however, pulled Joe Terry, former hot corner guardian, out of his bag of tricks along with a couple of rabbits and converted him into a chunker in a manner that fairly breathed black magic. These two, backed by effective hurling by sophomores Bob Miller and Clayton Harvill, not only southpawed and fireballed the Bruins into that third place .500 mark, but also gave the Longhorns and Aggies many anxious moments. Improved stickwork also figured in the Bears' wins—and believe it or not, by the end of the season Lummus was connecting safely at least once each game.

With Joe Curtis Byrd, returning squadman, doing yeoman work of catching Golden's baffling southpaw slants, the Green and Gold nine opened the season with a 9-1 riot over the McMurray Indians, repeating the following day with a 16-6 runaway to get away in a good manner.

Following these two pre-season tighteners, "Russell's Rascals" opened conference play with Rice in Houston and dropped an 8-3 decision to the Feathered Flock when Miller, Harvill and Gene Welsh were a bit free with walks in the pinches.

The Bears then journeyed to College Station for a two-game series with the highly-touted Aggie club and gained a split when Golden, outstanding hurler in the whole league, turned back the Farmers in 12 innings on five meager bingles.

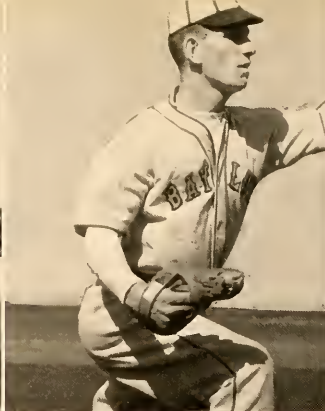

The locals established themselves as a title threat by sweeping their next four games in convincing manner—two apiece from the S. M. U. Mustangs and the T. C. U. Horned Frogs. The Pomies bowed 12-7 and 3-2, the last tilt being another great game hurled by Golden—Terry won the first one.

Golden and Terry both gained victories at the expense of the Frogs also, Lefty coming through with a 7-4 decision and the converted third baseman winning a thrilling 3-2 battle.

At this time, while resting only one game out of first place, the Bears ran into disaster in the persons of the Longhorn squad, who taking advantage of every conceivable break, took the Bruins over the hurdles in three straight tilts.

The first game was played in Waco, and while a huge Baylor crowd alternately cheered and groaned—mostly the latter in the late innings—Golden lost a heart-breaking 4-2 eleven-inning decision as the Steers capitalized on unearned runs and the Bears left 12 men stranded on the basepaths.

The next two battles played in Austin were much the same, Russell's hard-fighting squad bowing 9-4 and 7-6—after holding a 6-0 lead in the last game.

The Bruins closed the season with a 9-4 triumph over S. M. U. in Dallas as Golden chalked up his fourth conference win to give them a 6-6 won-loss average. Three games—two with Rice and one with A. and M. were rained out and never played.

1941 VARSITY TRACK TEAM

Top: JEFFREY, HICKMAN, BELEW, GODBOLD, WALTERS, RUSSELL, WILSON

Bottom: TODD, MORMAN, COACH HENDERSON, COLEMAN, ANDREWS

WALTERS AND WILSON ARE STARS OF TRACK

Track at Baylor is the time of year when athletes loosen up their muscles for the more rugged games of football and basketball during the coming seasons. The 1941 track team was a typical Baylor track team. With lots of intensive training, and a number of candidates, the Bruins could place a well-balanced track and field squad in every meet. But since track and field is not emphasized at Baylor, the record was only average.

Feature of the team during the 1941 season, however, was the high-jumping reputation established by Dub Walters. Walters became one of the best known high-jumpers in the country. At the Texas Relays, he tied Don Boydston, the Oklahoma A. and M. star, considered to be one of the five best in America. Walters and Boydston scissored over the bar at six feet, seven and seven-eighths inches. The world's record for the high jump is six feet, eleven inches.

Walters was a riot at many of the minor track meets in the Southwest, and only once all season did he have a bad day. That bad day, though, came during the conference meet, and Walters placed third.

Mighty Jack Wilson was the other half of the team's reputation. Wilson, with less than two weeks' practice, went to the conference meet and had the shot-put event won until Jim Deal of Rice inched him out on the final toss.

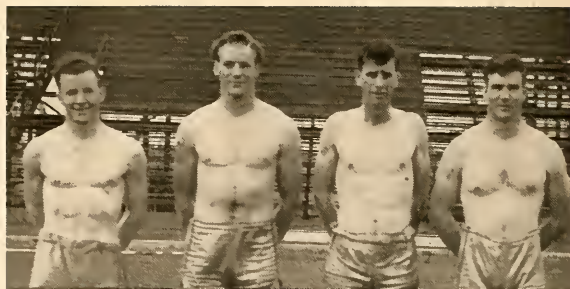

James Todd was one of the conference's better milers, while Dwight Parks and Bill Coleman potentially were splendid dash men. However, Parks and Coleman suffered from

(Continued on page 82)

too few practice sessions. Both Parks and Coleman are below 10-second men. Ed Hickman was the team's mainstay in the gruelling 440-yard dash. Andrews was overshadowed by Walters in the high jump, but he was one of the most conscientious athletes on the squad. He is expected to develop into one of the conference's best.

FROSH SQUAD IS BEST EVER

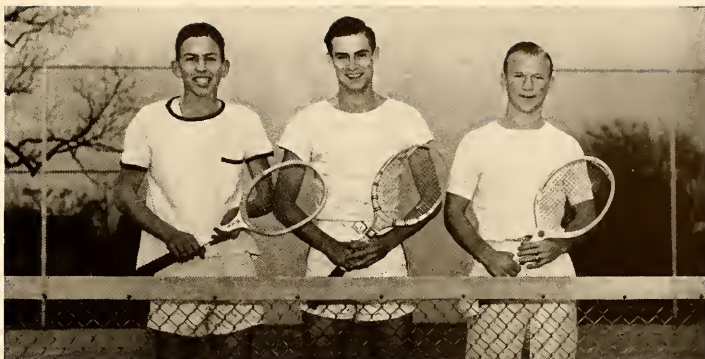

One of the most seasoned and versatile frosh baseball teams in the history of the Southwest Conference represented Baylor University on the diamond during the spring of 1941.

Blessed by an abundance of semi-professional baseball experience in addition to their high school and sandlot lore, the Bruin freshmen were the scourge of this section.

Two right-hand pitching aces paced the Cubs in their season's play. Howard Wafer and Manuel Garcia were the pitching luminaries, and Paul Cook strong-armed his way to victory in several games also.

Matthew Batts, the most promising catcher ever to don a Baylor uniform, was snared by the Boston Red Sox immediately after the season ended. Bubba Hill and Nonny Jennings were the power hitters for the Cubs.

After burying the Texas A. and M. Fish under top-heavy scores in a two-game series, the Cubs proceeded to have a field day against the Allen Academy nine. A two-game series with the Texas Yearlings found the Cubs breaking even.

BLODGETT, COCHRANE, LOVE

TENNIS TEAM MAKES FAIR RECORD

Three hustling boys composed the Cub tennis team in 1941, and although they didn't make a great record they played fine tennis.

Terrell Blodgett was the Bitsy Grant type of player, and he teamed with flashy David Cochrane to give Baylor fans a fine show. Love, the remaining member of the squad, was more than adequate.

Texas University frosh team trounced the Cubs in one series, but although out-classed, the Cubs were never out-fought.

FRESHMEN 1941

Nine promising freshmen lads composed the 1941 frosh track squad which, although loser in both dual meets of the year, contained several potential dash and field stars.

The Baylor Cubs lost to Southern Methodist's first-year men and Texas Christian's yearling crew, but in each meet they had the high-point man.

Against Texas Christian, Lynn Nixon was the man of the day as he dashed home ahead of the field in the 100- and 220-yard events. Nixon was the anchor man on several winning relay combines also.

Bounding Slick Cochrane led the Baylor frosh against Southern Methodist with a sensational day in the high and low hurdles and the high jump.

The Cub team had the kind of a season that is typical of many Baylor teams—plenty of hustle and ability, but the breaks went against them and they came out on the short end of all their games with the S. M. U. and T. C. U. Frosh squads and Kilgore Junior College, but none by more than one touchdown and all indecisive wins. However, this kind of a record can hardly be taken as a criterion of the Cub's real ability.

The Cubs had plenty of good, big men, and with the draft cutting into the varsity ranks, these boys will be the ones to fill in the gaps on next fall's eleven. Much will be expected of James Lee and Buck Garret at center, James Griffin, Bobby Henderson, Bill Craven, and Bubba Hill, guards; Roy Leal and Mike Tawell, tackles; Tom Johnson, John Huggins, Gordon Hollon, and Jimmie Lawrence, ends; and Guy Nunnally, Lloyd Price, J. FRESHMAN BASKETBALL SETS A RECORD TOO

BY JOE DUFFEL
 Frosh Sports Staff

Baylor's Cubs, winners of four games in eight starts during the 1942 basketball season, set one record that will probably never be challenged. They changed coaches *twice* during the year. First it was Foster Coleman, then came Botchy Koch. When Koch left for the armed services, Varsity Coach Bill Henderson took over and piloted the Cubs the rest of the way in.

Over the eight-game route, the Baylor freshmen turned back T. C. U. twice split a two-game series with S. M. U. and Kilgore Junior college and lost two decisions to Tyler Junior college.

Harlan Lawrence, Gordon Hallon, Johnny Appell, Frankie Edwards, and Marlin Hicks were the mainstays of the 1942 club, but received plenty of help from James Lee, Jimmie Lawrence, R. L. Cooper, John Hughgins, and Evan Weaver.

CRACK FENCING TEAM COPS TITLE AGAIN

Well-balanced, perfectly-poised, the Baylor 1941 fencing quintet did everything that's possible to do with swords except punch the on-looker's blanket tax.

Rated as one of the crack fencing teams in the nation, the suave Baylor swordsmen foiled the attempts of conference rivals in annexing the Southwest Conference title for the second straight year.

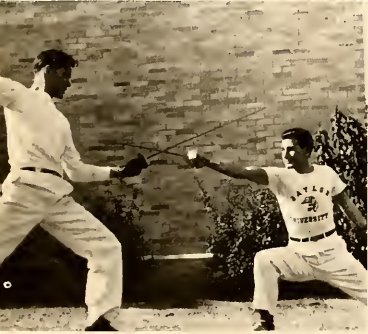

Paced by Captain Alvin Adelman, who distinguished himself by achieving a national fencing grand-slam, the hustling Bear team won the Southwestern A. F. L. A. championship in addition to the conference crown.

After finishing behind the potent Galveston Anicos in dueling sword and sabre competition, the Baylor aces rallied to defeat the Anicos in both departments of the final tournament play-off to take the A. F. L. A. crown.

In winning the conference tournament, held in Waco during May, the Bears became the first fencing team in Southwest Conference history to repeat with the title. The Bears likewise became the first team in conference history ever to win every first and second place award in individual competition.

Captain Adelman, one of the all-time fencing greats in this section, became the first swordsman in national collegiate history to capture first place in all three divisions of a major conference fencing tournament. The dark-headed, quick-thrusting Baylor man won the foil, dueling sword and sabre medals. Jan Ronk, elongated junior specialist, finished second in foil and sabre, while Andries Sigtenhorst was the second-place winner in dueling sword.

The 1941 team was composed of Adelman, Ronk, Sigtenhorst, J. W. Clark, John Fall, George Beakley, Mose Blaine and Pierce Shaudies.

BAYLOR DIVERS SHINE AT MEETS

Several of the South's finest water athletes were members of the 1941 Baylor swimming team, but there were not enough boys of big-league caliber to enable the team to cop meets.

Two Baylor dive stars made a big splash in swimming circles. U. A. Young is the former Southern A. A. U. champion, and Bland Schwarting is recognized by pool mentors in the Southwest to be one of the most promising divers in years.

During the season, U. A. Young, the best diver to represent Baylor during its brief swimming history, won first place in the state A. A. U. meet and the T. A. A. F. contests. Schwarting finished third in the A. A. U. meet and second in the T. A. A. F. tryouts.

Glenn Lake, mammoth backstroke star from Michigan, resembled a baby elephant in action as he won several first places in meets during the year. Lake was one of the mainstays of the team.

Blond, smooth-swimming Bubba Reese was the 440-yard man, and Robert Daniel handled the 220-yard chores. Arthur Myers was the Green-and-Gold representative in the 100-yard event.

Feature of each swimming season is the Aquacade. Events sensational enough to make Billy Rose bite an option in two take place each year at the water carnival. Formation swimming, teeter board trick work, relay events, novelty diving stunts, trapeze work on both single and double bars are listed among the presentations. A sensational fire dive, in which the diver is ablaze before he hits the water, climaxes the occasion. The 1941 Aquacade played before packed houses for three nights, February 12-13-14. The 1942 carnival, built around a patriotic motif, occurred January 27-28-29-30. Coach Froggie Coleman was the guiding genius behind the annual affair.

GOLF 1941

Baylor—long famous for erratic teams—reached its zenith in that respect when the 1941 varsity golf team romped the fairways.

On their hot days, the Bears could give Old Man Par a real shellacking, but on their cold days ———.

"Eef" Crim was the Jimmy Thompson of the team, and when the big Henderson lad was "on" there wasn't a collegiate golfer in the Southwest within a niblick throw of him.

The Bears opened the season with a blistering display against T. C. U. The Christians were shut-out, 6-to-0. Later on, T. C. U. finished second in the conference play-off. Texas A. and M. was beaten, 4-to-2, and S. M. U. stopped the triumphal parade of the Bears with a 4-to-2 set back.

In the conference meet, Crim finished fifth in a field of 31 players. The team placed fifth also.

VARSITY MINOR SPORTS

Highly-touted, well-publicized, Baylor's 1941 varsity tennis crew fell along the rocky road to tennis greatness, and disappointed its followers.

Hailed as the greatest tennis team in Baylor's history, the Bear racquet-wielders did not live up to advance notices although they did win more victories than any previous team to wear the Green and Gold.

"Lefty" Brown, one of the nation's leading southpaw players and acknowledged to be the peer of any collegiate player in the Southwest, was unable to regain his sensational 1940 form. Brown is now in Hollywood.

Highlighting the season were the trips taken by the players to Denton, Oklahoma City and Tulsa where the Baylor boys carried the day in straight-set fashion. The conference tourney found the Bears at their weakest, and their record there did not justify expectations.

Barrow, Harris and Haynes were more than adequate, and in doubles combination, these three boys were able to more than hold up their end.

ALPHA OMEGA CLUB

Baylor's oldest girls' club, the Alpha Omega Club, was founded by Dr. C. D. Johnson as a joint social-service club, with the aim of fostering high ideals among the women of this University.

A high scholastic average is required of all members, with the membership limited and admission is through vote by the club membership.

As special projects, Alpha Omega Club members entertain with a tea honoring new students during the fall term, make green and gold pom-poms which are distributed to lend color at the Homecoming football game, promote a spring style show, and direct and supervise the crowning of the May Queen at the May Day Festival.

Guests of the club members were entertained with a formal banquet in January at the Raleigh Hotel. Former club members were honor guests at a Homecoming breakfast, and a picnic was given during the spring term for guests of the club.

BAYLOR CHAMBER OF COMMERCE

The primary function of the organization is to further athletics and promote good will around the University, but during the years it has broadened its scope toward the goal of "Doing anything for Baylor."

Each fall term the Chamber of Commerce publishes, with the aid of the Board of Publications, a registration guide for freshmen and transfer students. This booklet contains all necessary information pertaining to registration and general information about Baylor.

For the entire week preceding the Annual Homecoming football game, the Chamber of Commerce sponsors "Good Will Week." All students are asked to wear tags with their names and home towns written on them and are urged to enter into the spirit of the occasion.

On Homecoming Day a special Homecoming Parade is sponsored. The floats are entered by the various clubs and organizations on the campus, and at a special ceremony the Homecoming Queen is selected from nominees representing the organizations.

The Homecoming Queen is presented at a ceremony during the half of the Homecoming game.

All during football season, small ribbons are printed with appropriate slogans and are sold before each game—the proceeds going to further the organization's activities and to further athletics.

Winter term prexy Harrell and Spring term prexy Parks.

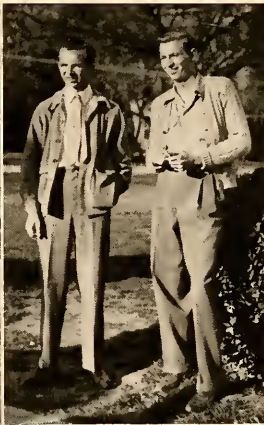

The high light of the organization's activities this year was the purchasing of a new water wagon for the football team. This was bought from the proceeds of ribbon sales. This new addition was presented at the Homecoming game.

The Baylor Chamber of Commerce was organized in 1921, its predecessor having been the Baylor Business Men's Association. Membership is limited to those male students who have been in residence two terms. All new members must receive a certain percentage of votes at a regular meeting of the organization and must satisfactorily complete a pledge period before being formally initiated. Membership is limited to fifty.

The D. A. P. club was organized in 1935. The meaning of the letters is revealed at the initiation ceremony. The purposes of the club are to promote friendship among the girls of the Memorial Dormitory system or of Waco. A certain scholastic average and prominence in campus activities is taken into consideration upon the election of new members.

The annual project of the club is the presentation of some appropriate gift for the benefit and enjoyment of the Memorial Dormitory system. The social calendar of the club each year includes a tea for freshmen and transfers, a homecoming breakfast for the returning alumnae, a formal banquet, and a house party.

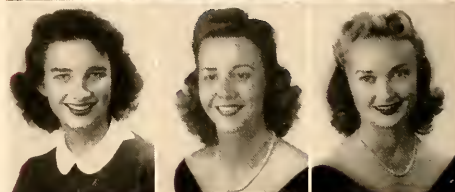

The club also performs several social services. Each year a high school girl graduate is selected and given her graduation gown and accessories. At Thanksgiving and Christmas, baskets of food are sent to needy families.

DELTA SIGMA PI

Eleven years ago on December 6, 1930, the Beta Iota Chapter of the International Fraternity of Delta Sigma Pi was installed in the Baylor School of Business. The first chapter of the fraternity was founded at New York University, School of Commerce, Accounts, and Finance on November 7, 1907.

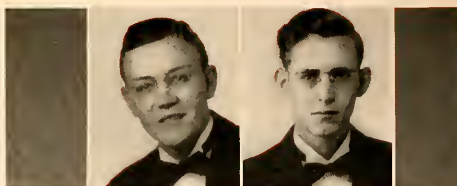

The national fraternity is of high rank in the Fraternity world, being one of the largest professional fraternities, and it is a charter member of the Professional Interfraternity Conference.

The Beta Iota Chapter has been on the Honor Roll of the Chapter Efficiency Contest for the last several years. Beta Iota Chapter reached the goal of 100,000 points in the last contest.

The highlight of the year was the organizing of the Alumni Club for our chapter at Homecoming. Nearly half of the ex-members attended. Also, the formal banquet on February 21 was an outstanding affair. Several parties and picnics were held during the spring.

The professional activity of this chapter was chiefly composed of professional meetings held once a month, at which some outstanding businessman spoke. One industrial tour was taken in the spring quarter.

PEER CLUB

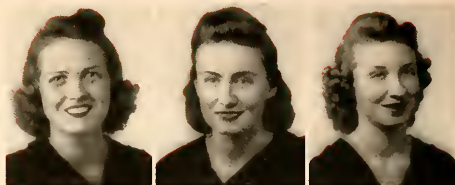

The Peer Club, organized in 1938 under the direction of Dr. Lorena Stretch, has as its purpose the promotion of fellowship, scholarship and democracy.

This club strives to promote a better understanding among its members and to advance good will and friendliness in Baylor. Membership is limited to thirty girls and is comprised proportionately of town and dormitory girls.

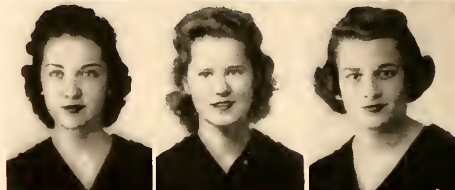

Keeping pace with its other records of high achievement, the Peer Club sets a new precedent for the girls organizations by offering a full year scholarship in the university. The scholarship is given to a young woman who is deserving of the honor and who finds some type of financial assistance necessary. The selection is made by members of the club in cooperation with the sponsor, Dr. Stretch.

The social calendar each year includes an entertainment for freshmen and transfer women, a Home-coming function for former club members, a formal Christmas dinner, a formal banquet, and other parties and entertainments throughout the academic year.

URBANITES

The Baylor Urbanites were organized in 1927 originally with the purpose of bringing about a closer relationship between the girls on the campus. However, the purpose has grown until at the present time, the club also performs certain duties for charity. Baskets of food and toys were given to needy families at Christmas and Thanksgiving.

ALPHA CHI

President A. L. Smith

The primary purpose of Alpha Chi, national honorary scholarship society, is the promotion of learning through a fitting recognition of scholarship. Emphasis is placed on the high value of achieving a full, many-sided development of all the powers of the individual. Students are encouraged to prepare for worth-while and complete living in a democratic society.

Prerequisites for membership are the completion of a minimum of eighteen majors in Baylor University and a scholastic attainment rating among the highest five per cent.

Dr. Charles G. Smith, faculty sponsor from 1931 to 1933, served as sponsor during the current year.

THE BAYLOR GOLDEN WAVE BAND

Under the youthful and vigorous direction of Gid Waldrop, graduate of '39, the Golden Wave Band has completed a very successful year. The main purpose of the Band has been to sustain its envied reputation as a concert band. This year, in addition the Band has attempted to cater to the likes of the students with music arranged by two very capable student arrangers.

At all times the Band has maintained the Baylor Spirit on the campus and in its travels over the state.

In addition to its regular Sunday concerts, the Band has presented radio programs, chapel programs, and many concerts throughout the State.

Mr. and Mrs. Truett K. Grant acted as co-sponsors this year. They accompanied the Band on out-of-town trips and aided in planning the numerous social activities.

ALPHA PSI OMEGA

Members on the steps of the new theatre

The Gamma Lambda cast of Alpha Psi Omega, national dramatic fraternity, recognizes as its aim the stimulation of interest in dramatics on Baylor's campus. Through its means of electing students to membership it serves as a reward for excellence in performing various tasks connected with the production of plays by the Baylor Theatre.

Each pledge has presented to the organization an outstanding piece of work for admission into the fraternity. This work has been done in the fields of Children's Theatres, Religious Drama, Community Theatres, and modern philosophies of acting and the theatre.

Highlight of the year was the initiation banquet in January.

BAYLOR THEATRE

Baylor Theater climaxed its fifteen years of steady growth and progress with the opening of its new studio theatre in 1941, which set a precedent in theatre construction, there being no other building like it in the world.

The year of 1941-1942 also saw the arrival of two visiting professors, Lynn Riggs (creative writing), and Alexander Koiransky (acting). Elwell was contracted to design settings and teach stage and costume design throughout the year. Wilbur Swartz has returned to Baylor to direct a religious drama program and the Religious Drama League of the South.

A vigorous and hard-hitting *MACBETH* led off the year's schedule, followed by Lynn Riggs' production of his own play, *BORNED IN TEXAS*. A religious drama, *FAMILY PORTRAIT* was presented in connection with Founder's Day. *THE CHERRY ORCHARD* directed by Koiransky, was produced in the winter term, as was a new play by Paul Green which was given a world premiere at Baylor along with the Broadway production.

A major civic production and several experimentals were produced in the spring.

BETA PI THETA

Sponsor and members at work

The Beta Pi Theta, National honorary French society, was founded in 1927, by Professor W. M. Briscoe. The purpose of the organization is to stimulate interest among its own members and among the students generally, in all phases of French culture. The scholastic requirements for admission into the fraternity are the completion of five majors in French with the intention of further study, a "B" average, and ability to understand and speak the language.

An important contribution made by Beta Pi Theta to the University is the presentation of moving pictures in French, and French lecturers. Two outstanding features of this program were the movie, *THE BAKER'S WIFE*, and the distinguished lecturer, Baroness Colette de Boccop, noted French newspaperwoman and author. Guest speakers at the annual banquet was the celebrated author and comedian, Jules Vern, of the University of Houston.

Mrs. W. M. Briscoe is sponsor of the organization, and the president of the year was Truett Book. Honorary members are Dr. C. C. Dobbs and Jack Curry.

BETA SIGMA CHI

Beta Sigma Chi is an honorary girl's business organization. Membership is restricted to business majors who have an average of "B."

The purpose of this club is to promote a sincere cooperative feeling among the business girls of Baylor University, and to create contacts of value in the business world.

Sponsors of the organization are Mrs. Mildred Johnson and Mrs. E. M. Shirley.

BAPTIST STUDENT UNION OF BAYLOR UNIVERSITY

The purpose of the Baptist Student Union is to link students to the local churches and to promote religious activities on the campus. These activities are wide and varied and provide an opportunity for every student to do religious work. The membership of the B. S. U. is composed of the enrollment of unit organizations, including Sunday School Training Union, Young Woman's Auxiliary, and the local churches. Morning Watch, Fellowship Circles, Baylor Religious Hour, and mission work provide additional opportunities for worship and service on the campus.

Baylor was fortunate this year in securing its present Director of Religious Activities, Robert S. Denny. A new feature was the introduction of Religious Focus Week during which fourteen nationally known leaders, speakers, statesmen, and students visited the campus.

ESQUIRE CLUB

The Esquire Club, organized to include any male student on the campus, has become the most prominent men's organization in Baylor for the promoting of the ideals of Baylor through purely social means.

The club's annual mid-year formal was the outstanding social event of the Baylor year. The club gave a fall social and concluded the school season with its spring picnic.

The club throughout the year sought to do its part in service to the nation and to the university by the maintenance of cheerfulness and good fellowship and the fullest cooperation in all university activities. This program was carried out under the aggressive leadership of presidents Peeler Williams, Lester Harrell, and James Simmons. The entire membership wishes to record a salute to its sponsor DeVan Daggett and to its many former members now serving in the armed forces of our country.

COLLEGE DEPARTMENT OF THE FIRST BAPTIST CHURCH

FIRST BAPTIST CHURCH BOYS SUNDAY SCHOOL

Under the gifted leadership of Billy Patterson as teacher and Arthur Boone as president, the college men's class feel that the year was marked by distinct progress in the spiritual life of the members. The class worked with the girls to make Christmas and Thanksgiving a meaningful time to many who would have had no joyous holiday otherwise. In addition to these services the class has undertaken a large variety of work during the year in cooperation with the other departments of the church in the furtherance of its work.

COLLEGE DEPARTMENT OF THE FIRST BAPTIST CHURCH

FIRST BAPTIST CHURCH GIRLS SUNDAY SCHOOL

This is the twenty-third year the Fidelis class has progressed under the direction of Mrs. J. M. Dawson, teacher, friend, and leader. Dot Wall and Ellen Murray were the presiding officers.

At Thanksgiving as many of the hungry as could be found were fed. When Christmas came the Fidelis girls saw to it that the children who had no Santa Claus got presents. Programs were provided every week for the Evangelia Home, Mexican Mission, and the Working Girls Club.

FIRST FAMILIES OF BAYLOR

F. F. B. Prexy Spencer

This organization was founded by Lily M. Russell, Public Relations Director of Baylor, in the spring of 1940. There are several students in this club that are fifth generation Baylor-ites.

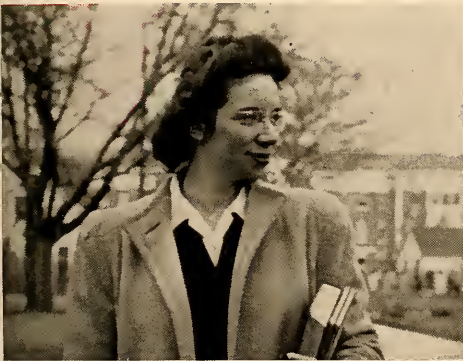

Guy B. Harrison is the sponsor of the First Families of Baylor and is doing an excellent job in getting these students to bring relics of old Baylor to the museum depicting Baylor's history. These relics are the "footnotes" of Baylor's colorful history.

These present members of the F. F. B. posed on the steps of the skeleton of the union building. This shows that these students are not living altogether in the past. They show their belief in Baylor as a growing institution.

KAPPA DELTA PI

Beta Xi Chapter of Kappa Delta Pi, an international honor society in Education, was installed in Baylor University, May 20, 1929. The purpose of the organization is to encourage in its members high professional and scholastic standards during a period of preparation for teaching and by recognizing outstanding service in the field of Education in its effort to serve society. The motto of the society is "Knowledge, Duty, Power." Membership is limited to those who are majoring in Education and rank in the highest ten per cent of the student body in scholarship. The meetings combine social and fellowship features with discussion of professional problems.

MINISTERIAL ALLIANCE

The Baylor Ministerial Alliance was organized in order that ministerial students of the University might meet together regularly for prayer and fellowship. From this group each year religious leaders leave Baylor for all parts of the state and southwest, taking their part in active church and spiritual educational work.

The Alliance has had enthusiastic support and the fellowship has been of the finest throughout many years. On the weekly programs numbers of prominent speakers have taken part.

It is this group that has cooperated with many small churches of the state in definite religious and study courses programs. Members have endeavored to hold high the standards of Christian education.

Pi Gamma Mu, National Social Science Honor Society, was the first honorary organization to be established at Baylor. The local chapter was begun as the Beta chapter of Texas on December 1, 1924. The charter is now a part of the Texas History Library collection.

The purpose of the organization is to encourage high scholarship in the study of social sciences and to stimulate graduate work in a definite field in one of the science.

Three meetings are held each term: one for the initiation of new members, one program on some phase of social science, and one in the form of a dinner or a picnic. Dr. B. O. Herring is sponsor.

PRE-LAW CLUB

The Baylor Pre-Law Club was first organized in the Spring of 1939 so as to provide the pre-law students of the University with an organization to meet their needs and interests. In this club, the pre-law students become better acquainted with the functions of the Baylor Law School and find a medium for fellowship and unity.

Sponsor for the club is De Van D. Daggett.

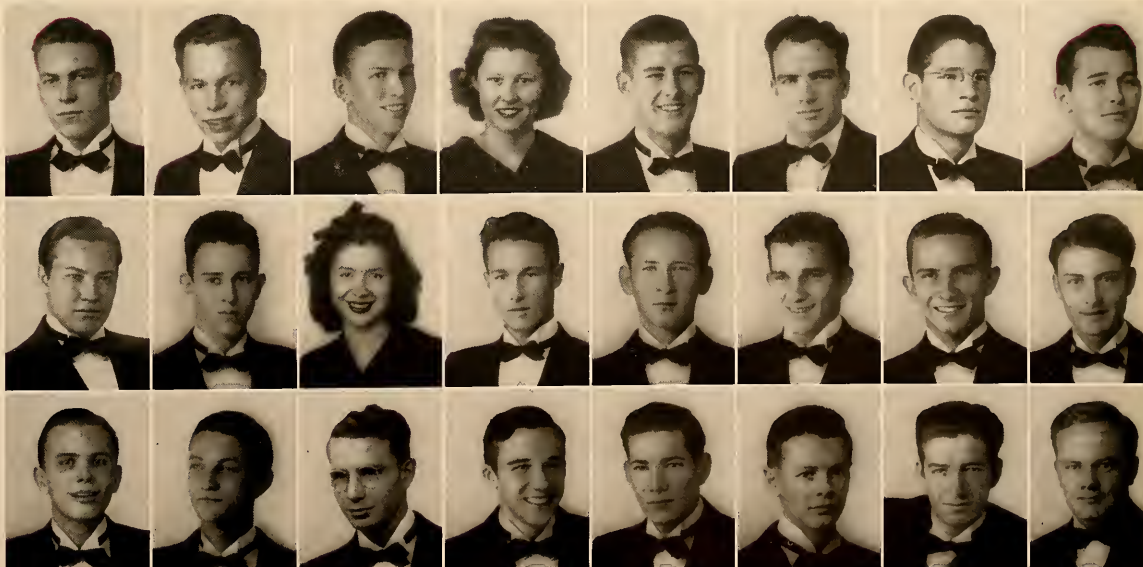

The annual banquet was held at the beginning of the Spring quarter.

PRE-MED CLUB

Presidents Gilbert and Spencer

The Pre-Med Club attempts to afford its members beneficial contact with their future profession and to instill in them a consciousness of its aims and ideals. The scholastic, organization and social activities of the Pre-Med Club stimulate, as they are designed to do, the interest of the group along lines of better scholarship, more serious regard for the study and practice of medicine, and a greater realization of its personal and social responsibility.

The social life of the club centers around three main events: the initiation banquet of the Fall Term, the formal banquet of the Winter Term, and the Spring Term picnic.

THE STAFF

Editor
JAMES
FARLEY

If you drop by Publications in the afternoon or the Press at night, you'll discover there's far more to editing the Lariat than just sitting down to a typewriter and beating out a story on who made the dean's list.

The members of the staff become dyed-in-the-wool journalists after they have completed nine months work on the paper, and are fit to work on any newspaper.

Especially is this true in the case of Editor Farley and cohorts who have labored so faithfully at their posts since the beginning of school last September.

ROUND-UP

By the time you read this, your opinion of the 1942 annual will have been formed, and probably nothing we can say will alter it.

We, however, feel justified in laying claim to several innovations which perhaps you noticed but failed to realize.

Besides pictures on both front and back cover, for the first time, placing cutlines on the candid shots is one of our most original ideas.

We won't say anything about the glamorous beauty section, but how can you fail to appreciate it?

Also, we've striven for more pictures . . . larger pictures . . . better pictures . . . informal pictures. The Athletic section is most unusual—meaning the lay-out as well as the copy. (Dow overdid himself.)

JUNIOR-SENIOR BANQUET

Despite the corn served by Toastmaster Bob Bryant, the rest of the food at the Junior-Senior banquet was swell, according to those who attended.

Miss Billie Murray, Business Law professor, spoke on the value of a college education during an emergency.

Entertainment was above the average: Nick England, Jerry Ratliff and Ed Goeman doing a grand job.

A nickelodeon provided the music, and games were enjoyed by all.

Ernestine Dedman tells Jeanne Wood how she nearly won that \$700.

ROUND-UP STAFF

Jack Hamm a great artist and a swell guy.

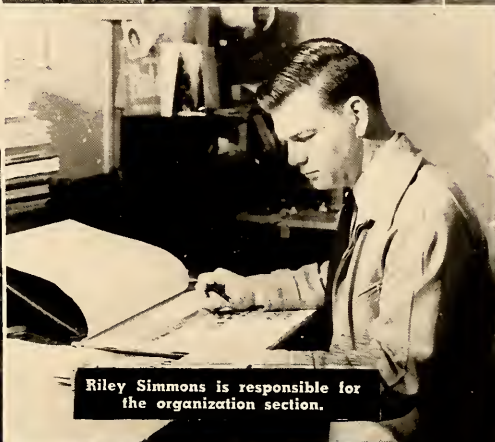

Cal didn't even have time to go home.

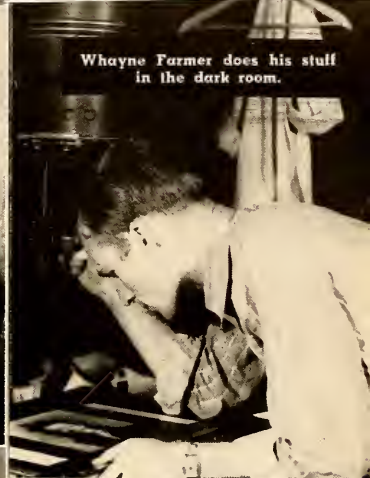

Charlie Harris turned out art and a million other things.

Vicky Vickers was a great assistant.

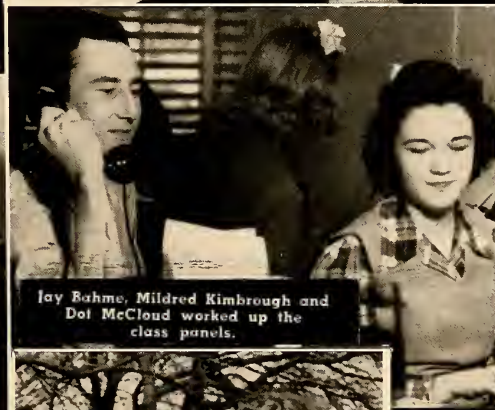

Riley Simmons is responsible for the organization section.

Wayne Farmer does his stuff in the dark room.

Rosemary Walker had charge of "Personalities".

Jay Bahme, Mildred Kimbrough and Dol McCloud worked up the class panels.

Tom Darby, Larry Harris and Lowell Milburn were mainstays.

Joe Duffell and James Curl do their work on the outside.

Rose Lingfield and Jean McLean figure out an organization layout.

Credit Lynn Nixon with the novel feature layouts.

AND ORCHIDS TO:

DR. WALTER H. MOURSUND

To the Class of 1942:

You are leaving your Alma Mater at a time when there is but one object before your country, namely the winning of the war as speedily as possible. You are fortunate in that you have suffered no curtailment of your undergraduate medical education and will in all likelihood be permitted to complete your intern service. For this and many other benefits and opportunities you are debtor to our democratic way of life. Let no one have the slightest doubt but that you will do your utmost at all times to preserve and extend those American principles and ideals which once again must be defended and maintained. There must and will be but one outcome—the survival of democracy.

The best wishes of the Faculty go with each and every one of you through all the years of your service to mankind.

W. H. MOURSUND,
Dean.

DR. FREDERICK W. HINDS, D.D.S., F.A.C.D.

Morale is a state of mind with reference to confidence, courage, and zeal. In earlier wars used in reference to troops on the battlefield. In modern war we watch with intense interest, the morale not only of the troops but of whole nations.

Morale is as essential as good ammunition, without either we will fail. The first-line trenches are in every community. Some of you will serve in the army, the navy, or the marines, others will serve civilians and defense workers. Wherever you serve, danger lurks. May the morale of this class be ever of the highest quality.

The faculty extends its sincere good wishes for your future. May success attend your efforts.

F. W. HINDS, *Dean*

C. R. STEWARD, PH.C.
Professor of Chemistry

We of the Senior Class dedicate the dental section of this, the 1942 Round-Up, to Dr. C. R. Steward. Since 1920 he has been a part of Baylor, during which time he has served in several capacities. From 1927 to 1931 he acted as Dean of the College of Pharmacy, and at present he is Professor of Chemistry in the College of Dentistry.

During these years he has built a reputation through which he will be pleasantly remembered by every student. Perhaps it is because of his patience and untiring efforts to make a better man and dentist of each student; possibly it is because of his interest, friendship and absolute fairness that makes each student unhesitatingly turn to him for advice.

Any one of these characteristics would be ample reason for this dedication, but in Dr. Steward we have found an indescribable quality which can only be discovered by knowing him as we do. It is this quality which not only commands our sincere admiration and respect, but also inspires in all of us, individually and as a class, a feeling of genuine affection and gratitude.

DONALD SLAUGHTER
B.S., M.D.

A comparative newcomer to Baylor, Dr. Slaughter has won many friends and has impressed all who know him by his ability in the field of experimental pharmacology, his manifold admirable traits of character, his warmth of personality, and his abundant store of wit. This happy combination of attributes we deem most worthy of recognition, likewise we, his students, recognize that he is mentor and friend to the student and that he is truly an ornament to the most exalted of professions. Therefore, we of the Senior Class of 1942, with respect and affection dedicate the Medical Section of the Baylor Round-Up to Dr. Donald Slaughter.

CLASSES

DENTISTRY

The craftsman by his work is known—*La Fontaine.*

MEDICINE

There must be but one type medical service for all persons—rich and poor alike—medical care that is good in quality, ethical in character, and suitable in amount—*Anonymous.*

NURSING

Health nursing is to keep or put the constitution of the healthy child or human being in such a state as to have no disease—*Florence Nightingale.*

CARY HALL

It shows its wrinkles like the students' cerebra who have labored therein . . .

In Memoriam

ELZA MARION PERRY, M.D.

BERNARD RUBENSTEIN, M.D., F.A.C.S.

HELEN H. LEHMAN, R.N.

Nurses today are the privileged group in all countries. Theirs is the opportunity for service in this emergency that makes them the envy of patriotic women who desire to serve but do not have the nurse's special preparation. The national defense program embraces both civilian and military needs. It is for each one to decide where the service which he is especially prepared to give will count the most.

We congratulate you and have faith that you will do your part in helping to preserve the American way of life and that you will dedicate yourselves to that high aim.

HELEN H. LEHMAN

We are deeply grateful to all who have contributed to our section of the 1942 Round-Up. We are greatly indebted to Mr. Crenshaw of the Southwestern Engraving Company for his technical advice and indispensable services.

To Miss Briggs and Mr. Marshall of Geo. E. Marshall Studio we owe appreciation for splendid co-operation as well as excellent photography.

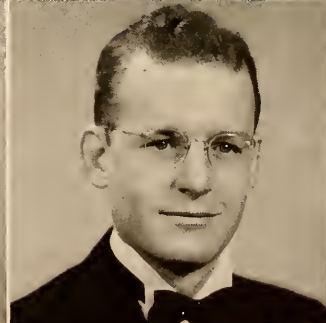

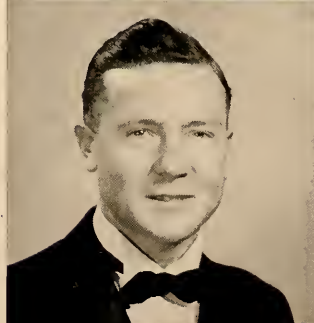

We especially wish to acknowledge the work of Tom Johnson on cartoons and assistance in copy writing, Vincent Pawelek and Bill Gaddis for their untiring efforts in securing snapshots, and Dr. E. H. Hall, J. B. Raff-kind, and Horace Love for their willingness in submitting cartoons.

Business firms by their financial aid through advertising and the many doctors in our Professional Directory have all helped to make this Yearbook possible.

We thank all of you.

The MEDICAL-DENTAL MEN'S BIBLE CLASS and the NURSES' BIBLE CLASS, forming the Baylor Department, are extension units on the campus, of the Sunday School of the Gaston Avenue Baptist Church. The two classes meet in a joint assembly each Sunday morning, preceding the class period, and cooperate in social activities during the year. As a service project, the nurses' class maintains a Sunday morning Bible Story Hour on the Children's Division of the Hospital and members of both classes bring with them each Sunday patients who are able to be up in wheel chairs.

BAYLOR JUNIOR DENTAL SOCIETY

A constitution founding the Baylor Junior Dental Society was adopted by thirty members of the Junior and Senior classes of the College of Dentistry under the sponsorship of Dr. G. D. Lacey. The founding date was December 5, 1935. The object of the society as stated in the constitution is: "to bring together the members into one unit in order to bring about a greater appreciation of Dentistry; to study problems for the enlightenment of all; to develop one's sense of duty to the profession," and thus far, our goal has been kept in mind.

EXPLOITATION of the MEDICAL PROFESSION

EVERYWHERE it is rampant—newspapers, magazines, billboards, radio. "Your doctor will tell you that . . ." "Medical science has found that . . ." "The greatest specialists in Timbuctoo say that . . ." And the rest of the story is, of course, "Use our pills or our vitamins three times a day; ask your doctor."

♦ ♦ ♦

You are forced to compete with those who offer your patients free advice regarding medical treatment. You deliver Mrs. Blank's baby today, and tomorrow she will receive by mail samples of baby foods with complete directions how to use them. Indeed, some physician representing a commercial organization and knowing that the case is in your hands may address a personal letter to your patient offering his services free.

♦ ♦ ♦

It has been said that ten more years of the present trend of interference in medical practice will do away with the need for private practice of infant feeding and other branches of medicine.

♦ ♦ ♦

Mead Johnson & Company have always believed that the feeding and care of babies and growing children is an individual problem that can best be controlled by the individual physician. For over twenty years and in dozens of ethical ways we have given practical effect to this creed. We hold the interest of the medical profession higher than our own, for we too, no doubt, could sell more of our products were we to advertise them directly to the public.

♦ ♦ ♦

So long as medical men tacitly encourage the present trend, so long will serious inroads continue to be made into private medical practice. When more physicians specify MEAD'S Products* when indicated, more babies will be fed by physicians because Mead Johnson & Company earnestly cooperate with the medical profession along strictly ethical lines and never exploit the medical profession.

You Need Not Give Up GOOD TASTE

In the coming months and years all of us will give up, temporarily, more and more of the fine quality to which we have become accustomed.

But this does not mean that we need relinquish our sense of good taste. It simply means that we must exercise greater ingenuity in the *selection* and *use* of the materials and facilities at our disposal.

In printing it means that paper and materials will be limited in quality and variety, and there will be fewer new type faces developed. Thus, the true art of the capable printer will become more important: his superiority will be emphasized by the ingenuity with which he creates works of beauty in spite of these limitations.

In selection, arrangement and spacing of type; in painstaking presswork; and in artful combination of available papers, inks and materials, the capable printer will find the means to inspire a greater demand for his services among those who appreciate finer things.
